

Prep Tour Policies

Day of Event specific starter instructions supersede all published Prep Tour Rules.

The USGA rules will govern all play. If between the group, a ruling cannot be established and there is no rules official in the vicinity, we ask you play two balls and a ruling will be administered in the scoring tent. Please do not sign scorecards until a ruling has been made official. **EXCEPTION: Rule 7-2 Practice Between Hole** The Prep Tour does not allow any practice chipping or putting between holes. Players are directed to move immediately to the next teeing ground upon completion of each hole played.

Tie Breakers:

Tie breakers for first place only will be decided by a sudden death 1 hole playoff. The sudden death playoff will continue until we have a champion. All other ties (2 or more players) will be decided by matching scorecards, comparing the number 1 **handicap** hole (printed on the host venues' scorecard) to determine the tiebreaker. If a tie amongst 2 or more players still exists, matching scorecards will continue on **handicap** hole #2 consecutively through **handicap** hole #18 until all ties have been resolved. Ties amongst female competitors (other than for 1st place) will be resolved by matching scorecards using the ladies **handicap** system on the host venues printed scorecard. Tie breakers will be utilized (other than for determining 1st place) for the sole purpose of trophy distribution. The official tournament results will list two competitors in the same position regardless of which competitor won the matching scorecard playoff. (Example- 2 competitors that tied for 3rd place will both be listed as T-3rd, and the next competitor will finish in 5th place. The 2 competitors will also split the sum of the 3rd and 4th place "points" divided in half.)

Tiebreakers for a 2 day tournament will be decided by better Day 2 18 hole score— then number 1 handicap on day 2 course etc. until the tie is broken
