

# SPECTATOR POLICY

As per the National Junior Collegiate Athletic Association regulations, there are guidelines that must be followed by all spectators. Please do not jeopardize a player by ignoring these guidelines. The penalty is two strokes if a violation occurs. Coaches are responsible to make sure spectators are in compliance.

- Spectator access to carts will be decided by the course management and may depend on recent weather. Spectator carts will be required to remain on the cart paths at all times - 4 wheels on the concrete.
- Spectators should remain on cart paths or in the rough, and approximately 15 YARDS from players. Spectators MAY NOT be in the fairway. NO COMMUNICATION between players and spectators that could be deemed advice in nature for the duration of the 18 holes is allowed.
- DO NOT WALK down the fairway behind a group as this may interfere with the players in the following group.
- Please do not give any advice concerning rules. SPECTATORS MAY HELP LOOK FOR GOLF BALLS. Spectators must not touch the golf ball in any way.
  
- The Spectators “role” is to cheer and support the school and players of your choice.

THANK YOU FOR YOUR COOPERATION!
